

HEALTH FOR ALL

On 12th December, 2016 Ganga organization conducted *HEALTH FOR ALL* awareness programme with teachers and students of Baburam Sarasvati Devi Inter College. Ten teachers, 75 male students, and 63 female students participated in the programme.

Ms. Jyoti Verma, Program Coordinator spoke about health as a basic human right, whereas Mr. Manoj Kumar explained about the burden of Tuberculosis on the community and the role of students, teachers, and the school community to tackle the problem. The teachers and students present on the occasion asserted that the government should take the initiative to declare *good health* as a fundamental human right and vowed to be sensitive to the needs of those affected by Tuberculosis. Senior teachers' proposed that Ganga Organization should run a campaign for pushing the issue into the election manifesto of political parties of the state and assured the support of the teaching community. The programme ended with a word of thanks to the Global Health Strategies who have organized the drive all over the world.
